I've asked DOGGR and the Water Board if they can do the afternoon. I'll let everyone know once I hear back.

Thanks, this training is coming from the head of OECA and I believe is in response to Flint, so I feel it's important to attend.

Perfect.

I checked with Cadmus and they can participate via VTC in the afternoon on March 8 so please let's nail that down. You had said 10-12 but ORC has another meeting at that time, so please let me know what's going to work best. Thanks!

I'm reaching out to DOGGR HQs on other things so I will include this request.

Here are the remarks from SLO County. It's actually from the public meeting transcript.

I will await clear direction as to whether I make a request to Rob for their entire public comment records. Alexa said we did need this. I would have thought we would as well since all we got are grouped comments and cut and pasted responses but its not my call.

Hello Jon,

I've had a request from Mike Montgomery for Mr. Hill's original letter. We do not have access to the public comments on the Arroyo Grande AE package. Would you kindly send a copy of that letter to me? Thanks!

Sincerely,

Michele
